as to the Pools Marsh Dykes &c.
was read by Mr Warnes.

Mr Chairman

Mr Pymon and myself have inspected
the dykes and other work necessary to be done &
consider that the usual 5 Score be passed, we
also think it is necessary that the East side of
Marsh abutting the Road, hired by Mr Blyth
be drawn also, The Dykes South end of Marsh
occupied by Wylhill continuing East side to
Road be drawn, We would also recommend
that the Pipes crossing road from Main Dyke
be raised, Have also seen the Footpaths
across second part of Poor Marsh & would

13TH DECEMBER 1897

suggest the removal of Plank between this Marsh & Marsh in the occupation of Mr Bracey. (The Tenant should see to this).

He found the gate which should be hung between the two Marshes across the Dyke and recommend that the gate be rehung & new Post will be required also 3 Rails.

Mr Jeary Proposed

Mr Wilkinson Secd That the report of Messrs Warnes & Pyman be received, with the exception of the relaying of Pipes across the Road, and that Mr Dove be informed that the Council are willing to grant him leave to place a plank across the Dyke in Poor Marsh with the understanding that he remove the same at the end of Dyke drawing season
