Res Geo Merriman Re Drainage Report

Mr Jeary reported that he had visited persons whose premises would have Junction pipes with the District Councils drain. Mr Reeve at first demurred to entertaining the Councils proposition but subsequently acceded to its requirements. Mr Hoopers drain the could report as being satisfactory.

Mrs Lamberts the Reverse, having only a stone pipe to act as an out-let for the drainage. That was being remedied by construction of trap & improved piping. He requested permission of Council for Clerk to write Mr J Rising of Holesby in reference to drain from Mrs Jungates premises and call his attention to its present condition before connecting with main.

With respect to Mr Suttons demand for a trap as reported by Councillor Bracy the could not agree to it. In absence of Mr Blyth he could only state it was arranged to connect by a 6 inch piping from main to air shaft at the Councils cost, and to agree the annual payment of 6 for leave to run the air shaft at gable of Mr Suttons cottage. Councillor Bracy stated that Mr Suttons wishes for a trap could be met at a cost not exceeding 5/-

Mr Warnes suggested that the larger trap as formerly used in Black Street be utilized on the same main drain
